EXPERIENCE

Education Department - Church of Jesus Christ of Latter-day Saints

Apr 2021 - Aug 2021

Quality Assurance Engineer Intern

Salt Lake City, UT

- Delivered efficient software through quality control test reports, determining software condition and readiness for release
- Collaborated in an integrated agile software development team providing consistent communication and feedback amongst developers, testers, and product owners.
- Increased quality of products by 20 percent by producing extensive fast manual and automated testing and reporting bugs
- Created test plans and detailed test cases outlining automation and manual efforts across Windows based products

Brigham Young University

Sep 2019 - Dec 2019

Concession Stand Attendant

Provo, UT

- Participated in the 20+ events set-up of concession stands
- Handled bookkeeping duties by creating and maintaining reports on money flow
- Increased organization by arranging inventory of supplies and communicating shortages of supplies to vendors
- Processed cash payments and tender change, ensuring received cash is well-accounted for and stored in a safe area

Salt Lake Community College

Sep 2017 - May 2018

Orientation Leader (First Year Experience, FYE)

Salt Lake City, UT

- Performed weekly presentation about all the information new students need in their first year of college
- Assisted the FYE department and other departments in outreach activities for new and first-year students
- Assisted in recruitment efforts for the Bridge and Bruin Scholars programs and involved in the hiring of new peer mentors
- Informed and answered questions to students contacting the FYE office either in person, over the phone or via emails
